TESTIMONIALS

We recently had the pleasure of joining Sheri Yu from AYM Golf Tours on a memorable 16-day trip to China. We enjoyed five days of golf at the renowned Mission Hills Resort, followed by eleven days of sightseeing around China—a truly wonderful experience from start to finish.

Every aspect of the trip was meticulously planned and organized, and everything unfolded seamlessly. Sheri arranged excellent accommodations, reliable drivers, and knowledgeable local

guides, and she introduced us to some fantastic local restaurants, which added to the enjoyment of our journey. Any issues that arose before or during the trip were quickly and personally resolved by Sheri, ensuring our complete satisfaction.

We had an incredible time and wholeheartedly recommend Sheri and AYM Golf Tours to anyone who loves golf and unique travel experiences

Mr Bob Fidock and Ms Lisa Brien

I just want to drop you a line to thank you for arranging our golf and sightseeing trip to China recently.

We had a tremendous time in Mission Hills where the golf courses were compatible with any that I have played on and that includes the ones in Beijing and Shanghai.

The itinerary that you planned for us was just as we wanted and the English-speaking guides were courteous and most helpful. I have no hesitation in recommending my friends or anyone else to book with you if they have plans to tour China.
